**SUPPLEMENTAL AMENDMENT UNDER 37 C.F.R. § 1.115**

Sir:

Applicants herewith submit the following Supplemental Amendment and  
Remarks.

**I. AMENDMENT**

**In the Claims:**

Please add the following new claims to the instant application:

--29. (New Claim) A method of controlling a media network, wherein  
said media network includes a media transmitter station and a media receiver  
station, wherein said media transmitter station has a computer for controlling  
communication of signals, wherein said computer is adapted to transfer at least  
one media file based on at least one of (1) at least one command and (2) at least  
one specified time, wherein said at least one media file is stored at at least one  
computer peripheral storage location, wherein said media transmitter station  
stores at least one of a plurality of units of media programming in said at least  
one media file, wherein each of said plurality of units of media programming has
